THE MUCH LOVED FAMILY HOME OF LORD
IVAR MOUNTBATTEN, BRIDWELL IS STEEPED
IN HISTORY AND ROYAL ROMANCE.

Lord Ivar hails from one of the most illustrious
families in the world. He is related to many of our
crowned heads of state, as well as the last Tsar
of Russia, and he is a direct descendent of Queen
Victoria through his great grandmother Princess

Victoria of Hesse who married Prince Louis of
Battenburg. Lord Ivar's father was best man
to Prince Phillip at his marriage to the Queen
Elizabeth in 1947. Romance and royalty certainly
are an intoxicating mix.

You do not have to worry about a thing on your wedding day. I will deliver your cake to your venue and make sure it is positioned perfectly.

Normally, I will meet with you and your fiancé to discuss what type of cake you would like, what theme or feel you are looking to achieve, and how I might interpret that for you. You may like to bring along any pictures of things that inspire you. This way I can get a good feel for your style in order to create a cake that is uniquely personal.
